

# Bitterroot Cavalier's

## ADOPTION APPLICATION

In choosing a Cavalier King Charles Spaniel as your new family member, you are making a commitment to his care for the next 10-15 years. Please research the breed and review your family plans before you make any decisions. All my dogs are raised in the home. I will only place my puppies into homes where they will be cherished and pampered. I do not sell to brokers, pet shops or commercial breeders. Each puppy is evaluated for type and temperament on a continuing basis as they grow. I try to match this with your family and lifestyle. Whether you are purchasing for the show ring or simply as a family pet, I want it to be a match for life.
